Dear Valued Community Member,

The Rim of the World Educational Foundation offers various fundraisers throughout the year to support educational programs within our Rim of the World Unified School District. The purpose of these events is also to celebrate, educate and inform the community of the inspiring achievements students in the District's schools have made in the three programs our Foundation financially supports: the Advancement Via Individual Determination (AVID) program, offered at Mary Putnam Henck Intermediate School and Rim High School; the Career Technical Education/Regional Occupational Program (CTE/ROP) Program offered at Rim High School; and the Partnerships with Schools Education Grant program, offered at each of the district's schools. Because we recognize that we all benefit from excellent education, our motto is:

“Supporting Rim of the World Students to Create A Strong Community”

Proceeds from your sponsorship donation benefit the work our Foundation does. Programs we support give students the skills and motivation they need to be successful to achieve their goals. ***Therefore, we are asking you to consider a sponsorship donation at a level listed on the next page.*** Your sponsorship donation will be acknowledged in various ways to reflect your level of sponsorship. This may include social media posts, inclusion in our Foundation brochure and announcements on our website. You will also receive a frameable certificate to display at your business and thank you letter stating your tax-exempt participation.

We hope we can count on you to partner with us in enhancing the learning of our Rim USD students. Donations can be on the website www.RimEdFoundation.org using the donate icon. A check can also be mailed to the address at the top of this letter. Either method, please complete the form below and email it to info@rimedfoundation.org.

Sincerely,

Jo Bonita Rains
